

How to get to BRE Garston

BRE's Garston site is 20 miles from Central London, four miles north of Watford, and a mile from Garston itself. We are very close to the junction of the M1 and M25 motorways. Mainline train services from London Euston pass through Watford, and London's main airports are all within 60 miles. On-site parking is free.

Travelling by road

From the M1

Leave the M1 at **Junction 6** (the A405, signposted to St Albans if approaching from London, and North Watford if approaching from the north). Follow the tight bend of the slip road round and join the A405 towards North Watford. After half a mile, turn left at the traffic lights into Bucknalls Lane (signposted to BRE). Our entrance is on the left at the end of the lane, after the motorway bridge.

From the M25

Leave the M25 at **Junction 21A** (signposted A405 to St Albans if approaching from the west and Watford and the M1 if approaching from the east). Turn onto the A405, following signs to North Watford. After half a mile, continue straight on at traffic lights, passing under the M1. After a further half mile, at the next traffic lights, turn left into Bucknalls Lane (signposted to BRE). Our entrance is on the left at the end of the lane, after the motorway bridge.
